

# *Ted Warner Jr. Memorial Fund*

*Ted Warner Jr. was a talented, versatile, multi-sport athlete and coach who touched the lives of many young people in the Cumberland and North Yarmouth community. His goal was that each athlete develops the skills and attributes needed for success on the field and in life. Working as a team, supporting one another and becoming confident individuals were of the utmost importance to Ted. He did this by helping them build their particular strengths, mental acuity and a positive self-image. All the while having fun, of course!*

*A donation to the Ted Warner Jr. Memorial Fund will allow young athletes the opportunity to play team sports, to purchase personal equipment, or pay participation and camp fees, regardless of their financial ability.*

*The Ted Warner Memorial Fund will continue to support Ted's passion for community and youth sports.*
